

**Please answer all questions in full**

**Where possible any supporting medical documents should be submitted with this form.**

Surname	Other Names
Date of Birth (Day/Month/Year)	Sex (Male/Female)

Part 1 (Tick one of the stated options below)

**a. Prescription Medication**

Does your child take any regular medication which he/she will bring with him/her? Please tick yes / No

If yes, please give details below.

.....

.....

.....

I would like the House parent to administer my child's medication and I give my consent for him/her to do so.

My child is able to administer his/her own medication and I give my consent for him/her to do so.

**b. Emergency Medical Treatment**

In case of a medical emergency, every effort will be made to contact the child's parent or guardian as quickly as possible. If your child needs an emergency operation, do you give consent for the principal or a designated person from the school to sign the necessary consent form?

Yes                      No

If no, please advise on the action you would like the college to take in a separate sheet.

**c. Dietary Requirements**

Please state any specific dietary requirement we must take into consideration for your child.

.....  
.....  
.....  
.....
